

Brockholes Pre-school  
Our Pre-School Rules  
(written by the children)

We are kind to each other and use kind hands.

We look after our toys.

We share and take turns.

We use quiet voices and listen when someone is speaking.

We follow instructions given by an adult.

We help to tidy up and put things away.

We walk in the pre-school building.

We wash our hands after visiting the toilet and before eating.

We sit at the snack/lunch table to eat or drink.

We put an apron on when we are doing messy activities and playing in the water.

We only climb on the climbing equipment.

We do not go on the outside equipment wearing dressing up clothes.

We are always polite and say please and thank you.
